

SUNDAY'S BALL

Lihue vs. K. A. C.

The game between Lihue and K. A. C. was rather closely contested, being times when the K. A. C.'s threatened the visitors. A large and orderly crowd kept up an almost continual roar.

Koloa vs. Elele

For the fifth time in succession, Koloa has played a winning game, having defeated Elele with a score of 12 to 6 on the Makaweli ground, last Sunday. The feature in the game was a double play on a fly to Perriera on second and thence to Sheldon on third. Myers pitched a heady game from the fourth inning, showing considerable uneasiness up to this time. The game was one in which considerable wild playing was displayed, neither team doing anything startling. The Koloas, however, showed the best team work.

Homestead vs. Makaweli

Too much Holy Ghost Celebration is said to be partly responsible for the terrible drubbing which the Homestead "Farmers" received at the hands of the Makaweli team Sunday on the Makaweli Diamond. The playing was done almost entirely on one side, the farmers making but little defence against the continual onslaught of their opponent. Akina, the new found pitcher for the Makawelis, pitched a heady game and received a full edge support. A sensational catch was made by Joe Costa in gloving a hot fowl, after covering a distance of nearly fifty yards. This wonderful catch is probably the best ever made on the island.
